FUNCTIONAL

All our pull-out sleeper sectional sofa is an excellent family-sized sofa that easily converts to a bed. It comes with chaise with storage which perfects for storing pillows and blanket. Come sleep time, to convert the bed you simply pull out the large drawer concealed under the two-seater portion and up pops a mattress, to turn the L shape into a rectangle.

FAQs

1. What is the Minimum Order Quantity (MOQ)?

1x40HQ container for each SKU. However, in your first order, we can mix up to 2 SKUs in a 1x40HQ container.

2. What is the lead time for my order?

Our current lead time is 30-45 days but this may change according to the seasons.

3. How many quantities can I load in a 1x40HQ container?

Up to 250 units in a 1x40HQ container. However, loadability varies between models.

4. How long is the warranty period?

We provide a 1-year limited warranty.

5. Can I customize the fabric type and colours?

We have a wide range of fabrics that can be customized to your preference at an additional cost is required.

6. What is the durability of the sofa beds?

Our standard sofa beds can withstand up to 250kg. Please contact our sales team for technical specifications.

7. What are your payment terms?

We accept

- Telegraphic transfer - 30% deposit and 70% balance payment
- Letter of credit at sight
- UPA letter of credit
- Bill discounting

8. Are the sofa beds in compliance with international standards?

Yes, our sofa beds comply with the SASO1999 standard. Please contact our sales team for further arrangement on compliance testing, do note that an additional cost is required.

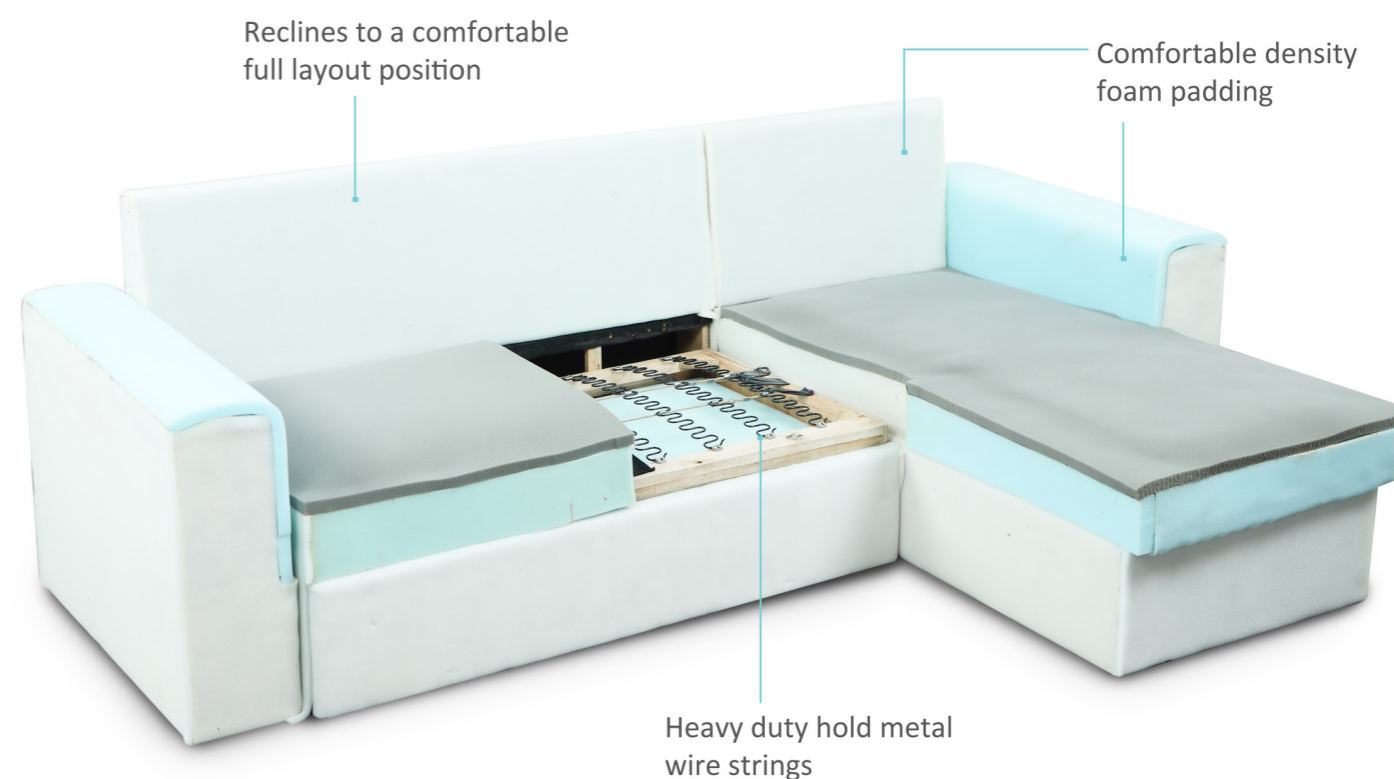

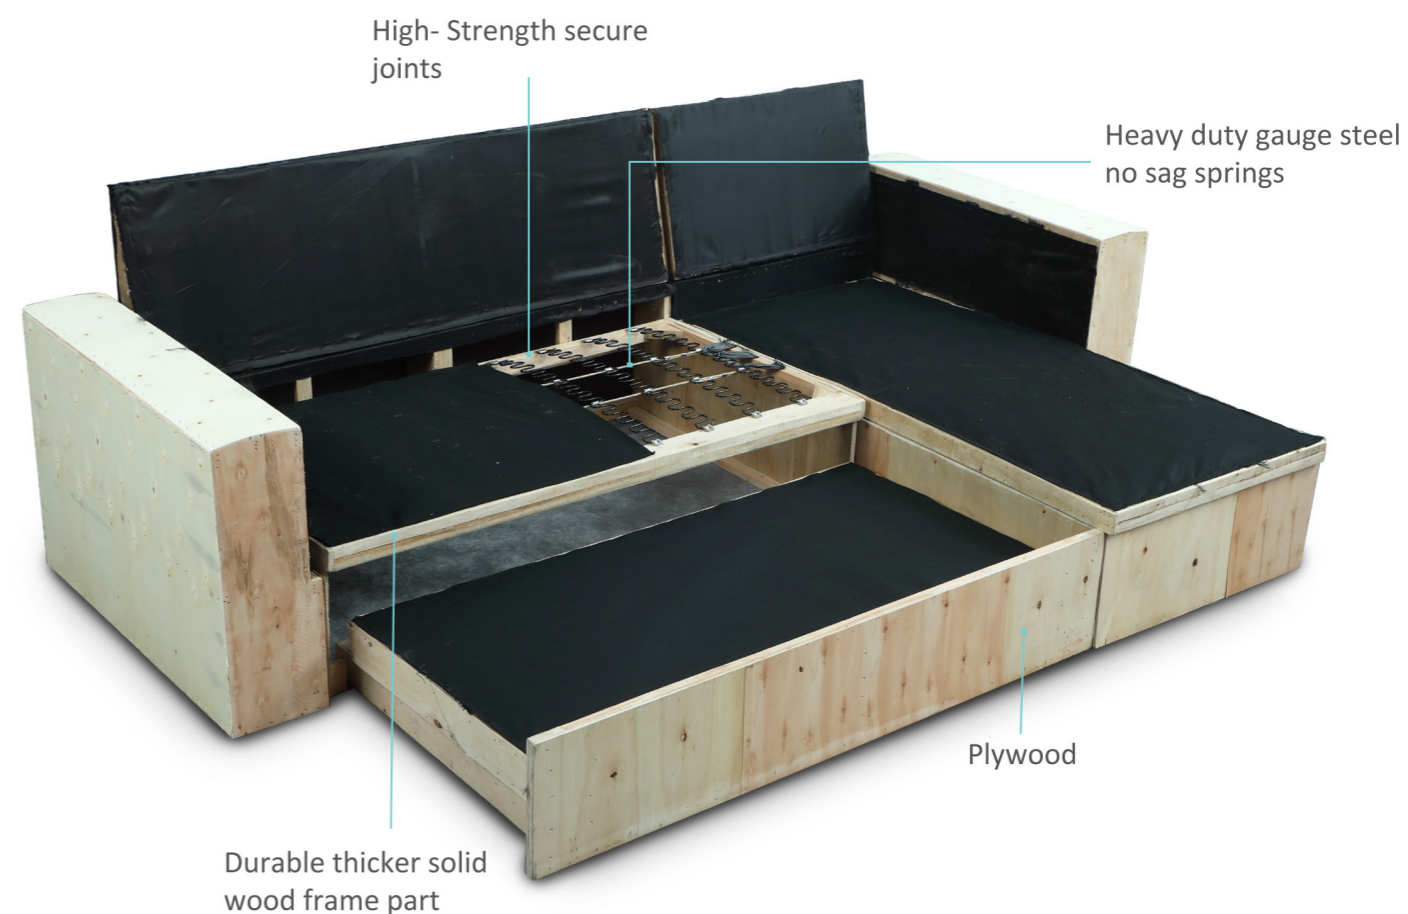

9. Is the packaging of products in compliance with international standards?

We offer both ISTA packaging and standard export packaging. Please contact our sales team for your requirement.

10. Is there any additional service provided?

We provide a high-resolution image of the product with white background for free. Room scene-setting is available at an additional cost.
